

alpaca walking at hemscott hill farm

Keep an eye out for 'the boys' when you're walking around. Our small herd of Huacaya Alpacas are pretty unmissable with their floppy haircuts and super cute eyes, and are the reason for many cars slowing down past the farm (our natural speed humps).

Wesley, Dillon, Faustus and Samuel (with Rowley and Hector joining walks from May 2016) are our trekking crew and will happily walk alongside you on a lead on one of our farm walks. We run walks most days and you will go for 1 or 2 hours around the farm fields and may even meet our Kune Kune pigs too. We tend to walk in early evening or morning when the light is low and there is more wildlife around.

Prices

As alpacas are pack animals there needs to be at least 2 alpacas booked. You can book for 1 or 2 hour walks and the price is per person walking an alpaca. Children under 12 must have an adult helper with them. Max group size 4 alpacas, we will be able to accommodate 6 alpacas from 1 May 2016. To book please email alison@hemscotthill.com with your group size and date.

1 hour walk - £15 per person, £7.50 for accompanying walkers

2 hour walk - £25 per person, £12.50 for accompanying walkers

Walks are around our farm fields on fairly flat terrain and as alpacas 'amble' at their own pace it is suitable for younger walkers to keep up. Alpacas aren't great fans of rain so in bad weather we don't walk and will offer alternative dates or a full refund.
